# IF ANY OF THIS SOUNDS LIKE YOU...

- You are bored and frustrated with your current job
- Or you constantly feel overworked and overwhelmed
- There is no excitement and you dread Mondays
- You feel stuck in your current position
- It feels like your career has stalled
- You are ambitious but struggle with self-motivation under your current circumstances
- You don't know what else you'd like to do or what to do next
- Or you have an idea of where you want to do but don't know how to get there
- You are struggling with job search

## **This journal is right for you! It will help you to:**

- Remember who you are and reconnect with your vision and purpose
- Dream bigger and unlock your full potential
- Stop dreading going to work
- Get unstuck and unlock new opportunities for yourself
- Recognize and change thinking patterns that sabotage your success
- Grow and climb the ladder from a place of gratitude and clarity
- Develop work routines that make you feel happy and fulfilled

## HOW TO GET THE MOST OUT OF THIS JOURNAL

I recommend going through the whole journal once over a long weekend and then journal for 15 minutes per day answering 1 question over the next 28 days. Keep reviewing how your answers changed over time, set the intention to take aligned action and trust that the process will call lasting change into your life.
